Dear Parent or Guardian:

Your teenager has purchased tickets to a dance at Jasper High School scheduled Saturday, February 13, 2010 from 8:00 PM – 11:00 PM. He/She has indicated that the guest he/she will be bringing does not attend Jasper High School. It is our policy that when a social event is held and a Jasper student requests permission to invite one (only one) guest, we must know the name of the student guest and the school they attend in advance of our event.

Knowing who is on our campus helps alleviate the possibility of potential problems as we strive for a safe and fun environment for all attendees. This form must be completed and turned in by 4:45 PM, Thursday, February 11, to Steven Ewing, assistant principal of student activities. **Please make sure your teenager brings a school id card. No student will be allowed on campus without an id.**

Your teenager must introduce their guest to one member of the Jasper administrative team before entering the dance.

I understand that my child _____, is
